
**Optics and photonics — Interferometric
measurement of optical elements and
optical systems —**

**Part 4:
Interpretation and evaluation of
tolerances specified in ISO 10110**

*Optique et photonique — Mesurage interférométrique de composants et
de systèmes optiques —*

*Partie 4: Directives pour l'évaluation des tolérances spécifiées dans
l'ISO 10110*
