

8 BENEFITS OF STANDARDS

WHAT THEY CAN DO FOR YOUR BUSINESS

REDUCING COSTS

Lowering costs through minimising errors, redundancies and increasing productivity.

EFFICIENCY

Improving quality, safety, and lead-time of products and services.

MITIGATING RISKS

Identifying and mitigating risks within their business and supply chain.

CONSISTENCY

Improving speed to market by building on previously standardised technology or systems.

CUSTOMER CONFIDENCE

Promoting acceptance of product or services into the marketplace by increasing customer confidence in their safety and quality.

UNIFORMITY

Providing uniformity of units of measurement, enabling accuracy and confidence in commercial transactions locally and globally.

ELIMINATE TRADE BORDERS

Helping products, services and staff move across trade borders, reducing technical barriers to international trade.

UNIVERSAL VENDOR REQUIREMENTS

Improving supply chain management by establishing common requirements for all vendors to comply with.
